The Levendo Drinks & Snacks Pro combines high capacity, modern technology and smart features in one machine. With space for 270–330 products and a 22-inch touchscreen, it is built for stark frequented locations that need more throughput.

Cooling from 4–25 °C and an anti-theft plate protect every product, while card and cash payment plus cloud connectivity give you full sales and inventory control. An outdoor version is available, with or without touchscreen.
