PURCHASE
€5,999

+ €19.90 / month support

RENTAL
€349 / month

incl. €19.90 / month support

Net prices, excl. VAT

The Levendo Drinks & Snacks Pro Lift pairs the Pro's high capacity with an integrated lift that gently lowers glass bottles and other fragile items instead of dropping them — ideal for busy locations that sell glass drinks.

With space for 270–330 products, a 22-inch touchscreen and cooling from 4–25 °C, it keeps every product secure and at the right temperature. Cloud connectivity gives you full sales and inventory control at all times.
