PURCHASE
€5,499

+ €19.90 / month support

RENTAL
€319 / month

incl. €19.90 / month support

Net prices, excl. VAT

The Levendo Drinks & Snacks Basic Lift brings the same compact, reliable dispensing as the Basic, with one addition: an integrated lift that gently lowers glass bottles and other fragile items instead of dropping them.

With space for up to 240 products, flexibly adjustable compartments and cooling from 4–25 °C, it is a natural fit for locations that sell glass drinks alongside snacks. Cloud connectivity keeps sales and stock visible in real time.
