**€349 / month**

*Net prices, excl. VAT*

The Levendo Drinks & Snacks Display is a freestanding advertising display with an impressive 49-inch screen, built for high-traffic locations such as shopping centres, gyms or hotels — and it sells snacks and drinks on the side.

Content is controlled centrally via the cloud and can be played back on a schedule. Optional touch functionality and motion sensors, together with a robust design, make it suitable for interactive advertising indoors and outdoors.
